In Case of Thunderstorms:

We've done a lot to prepare for this tournament so fat, so we do not want to cancel, but in case of lightning, we will suspend games until it is safe!

This weather may impact the number of round robin games played, but we hope it will not require cancellation of the tournament. We will have lit field to allow us to play after dark, but even with that, **we must start the tournament no later than 7:00 pm for the adults, and 5:00 pm for the kids**. If the round robin is not complete by **4:00 pm**, the round robin all be ended, seeding will be done based on games complete up to that point and the tournament will begin at these time (or earlier). All of this **weather permitting** so please be understanding of the situation. We will do everything we can to get all games completed as part of the tournament.
